Congratulations to the Class of 1986! You have reached a very important milestone in your life. This is the end of a very secure existence and the beginning of many new and challenging experiences. Whether you pursue a post high school degree or seek immediate employment, each of you must assume your proper place as a concerned citizen of our city, state and nation. This new role carries with it many obligations and responsibilities. We hope that all of us at Overbrook High School have influenced your lives and assisted you in acquiring skills which will hold you in good stead as you assume your place in society.

Each of you has the potential to become that one special person who can solve our world problems. However,

none of us can achieve our full potential without hard work and perseverance. Set your sights high, chart your course carefully and keep your dreams foremost in your heart and mind. You can do anything if you believe in yourself.

Always look back on your years at Overbrook as those which helped you form the foundation upon which you will build your future. Be proud that you are an Overbrook Alumnus and part of that great Overbrook tradition which has been established by those graduates who have gone before you. We look to you as tomorrow's leaders who hold our future in your hands. We believe in you, believe in yourself!

Good luck and God bless.

VICE PRINCIPALS

Juanita M. McGhee
Vice Principal

Life is a drama, and each of you has a part to play on this earth's grand stage. While you may have plans to become a star, most of you will probably have to resign yourself to being a supporting player. Nevertheless, whether a star, the understudy, or another supporting player - how well you play the role will depend upon you.

It is my hope that you have availed yourself of the myriad learning opportunities present at Overbrook High School and that you are prepared for whichever part of the exciting drama that life has in store for you. Perform your part well, and be a beneficiary of all the good that life has to offer you.

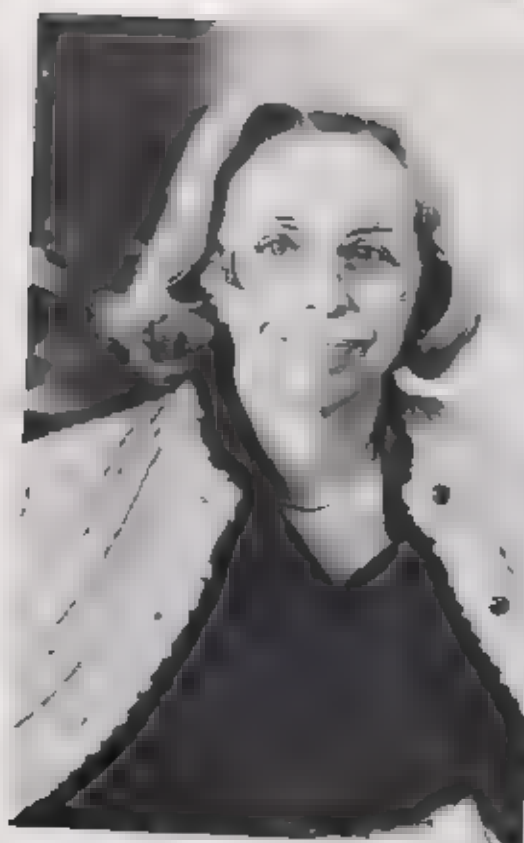

Samuel J. Gotlieb
Vice Principal

There are three major components for evaluating any class that has come through or will come through Overbrook High School. These components are academic achievement, service to the school and community, and school spirit.

I would rate the class of 1986 high on the scale of each of the above criteria. The class of 1986 has shown a high level of academic excellence. In addition, the class of 1986 as a whole has participated in school functions and Home & School sponsored events. Finally, one of "the" strong points of the class of 1986 is its school spirit. I believe it equals any class I have had the good fortune of knowing.

It has been my pleasure and will continue to be an honor to work with the class of 1986.

Barbara Moyes

This year at Overbrook High School we had a new teacher with us for the year. Barbara Moyes came to the United States from England. Patricia Hansbury, a teacher in the social studies department, went to England. In the exchange program the teachers actually exchange everything, from classes in the school to homes and cars. Miss Moyes found time in her busy schedule to write some similarities and differences between Overbrook and the Neale Wade school in England:

"One of the main similarities is the students. They have the same excuses and complaints about work! Life in the classroom is really very similar/with students being friendly and quite hard-working. The main difference is that in England I would see classes only two or three times a week, certainly not everyday at the same time. Students up to the age of 16 would take 10-11 subjects so their roster would differ each day of the week. I have to get used to working without breaks during the day. At Neale Wade the staff and students have either a coffee break or lunch after two periods. However, since there is more social time dismissal is not until 3:45. There are no shortened schedules for any reason. There are many more holidays but a shortened summer. If you put it altogether it has been quite an education for all concerned."

Class of '86, it's finally happened! The big day! Before you begin celebrating, here's a few sobering facts.

The high school graduate today is expected to know more, act more maturely, and shoulder more responsibility than at any other time in the history of the world. Is that scary? I hope so. For if you're not serious about life and prepared for it, it will slice you up. In your hands has been placed the wherewithall to succeed - against overwhelming odds. We're pulling for you, but you are the one who has to do the job.

One final word. Remember that not everyone who yells, "Right on!" is a brother, and that the person who cuts you a break because you're a "minority" or "deprived" or "disadvantaged" is really a liar, because he's saying that you're not as good as everybody else. Overbrook has prepared you to deal with the real world - not the world of nice fantasies and platitudes. Now go out there and make us proud.

Congratulations Seniors,

Here we stand exiting a small phase and entering into a phase of immense size, the phase called "Life". We can no longer be dependent upon mother and father, but must now be dependent upon ourselves. Before we take one step into this phase called "Life", we have to know our capacity to cope and conquer the difficulties of the world to which we will be exposed. Whatever challenge we face, it must first be analyzed and weighed. We then ask ourselves, "Am I capable?"

If at the time it seems too difficult, instead of quitting, we must put forth our best effort and try. While passing through this phase be sure to maintain the philosophy, "I can" and always remember that no waters are too wide to swim across. Classmates, I sincerely hope and I do believe that these values will lead each of us into the ultimate phase known as "Success". Good luck and farewell.

QUEEN DIDO

On the evening of Dec. 9, 1985 a very special music program was presented at Overbrook High School. It was the production of Queen Dido. She was an African Queen whose life and accomplishments were portrayed with a blend of gospel music and dramatic dialogue. This program was organized by gospel singer Dee Dee Sharp who also played Queen Dido. She is a resident of Philadelphia. Many distinguished guests and alumni attended this spirited performance.

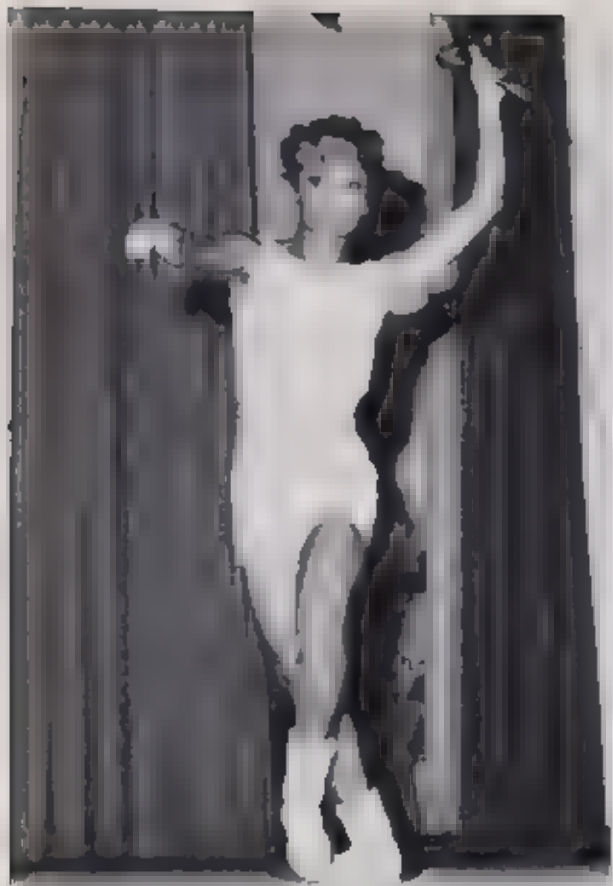

MISS OVERBROOK 1986

The 1985-86 Miss Overbrook Pageant was one of the best of its eleven year history. There were seven participants in this year's competition.

Jeri Rayon, a senior, was the winner. She combined singing and dancing to create a truly great performance. The other contestants were: Donna Carter, Lynette Vaughn, Victoria Woodson, Terry Gardner, Samantha Paddy and Sharon Hawkins. All of the ladies are to be commended for contributing to a lovely evening.

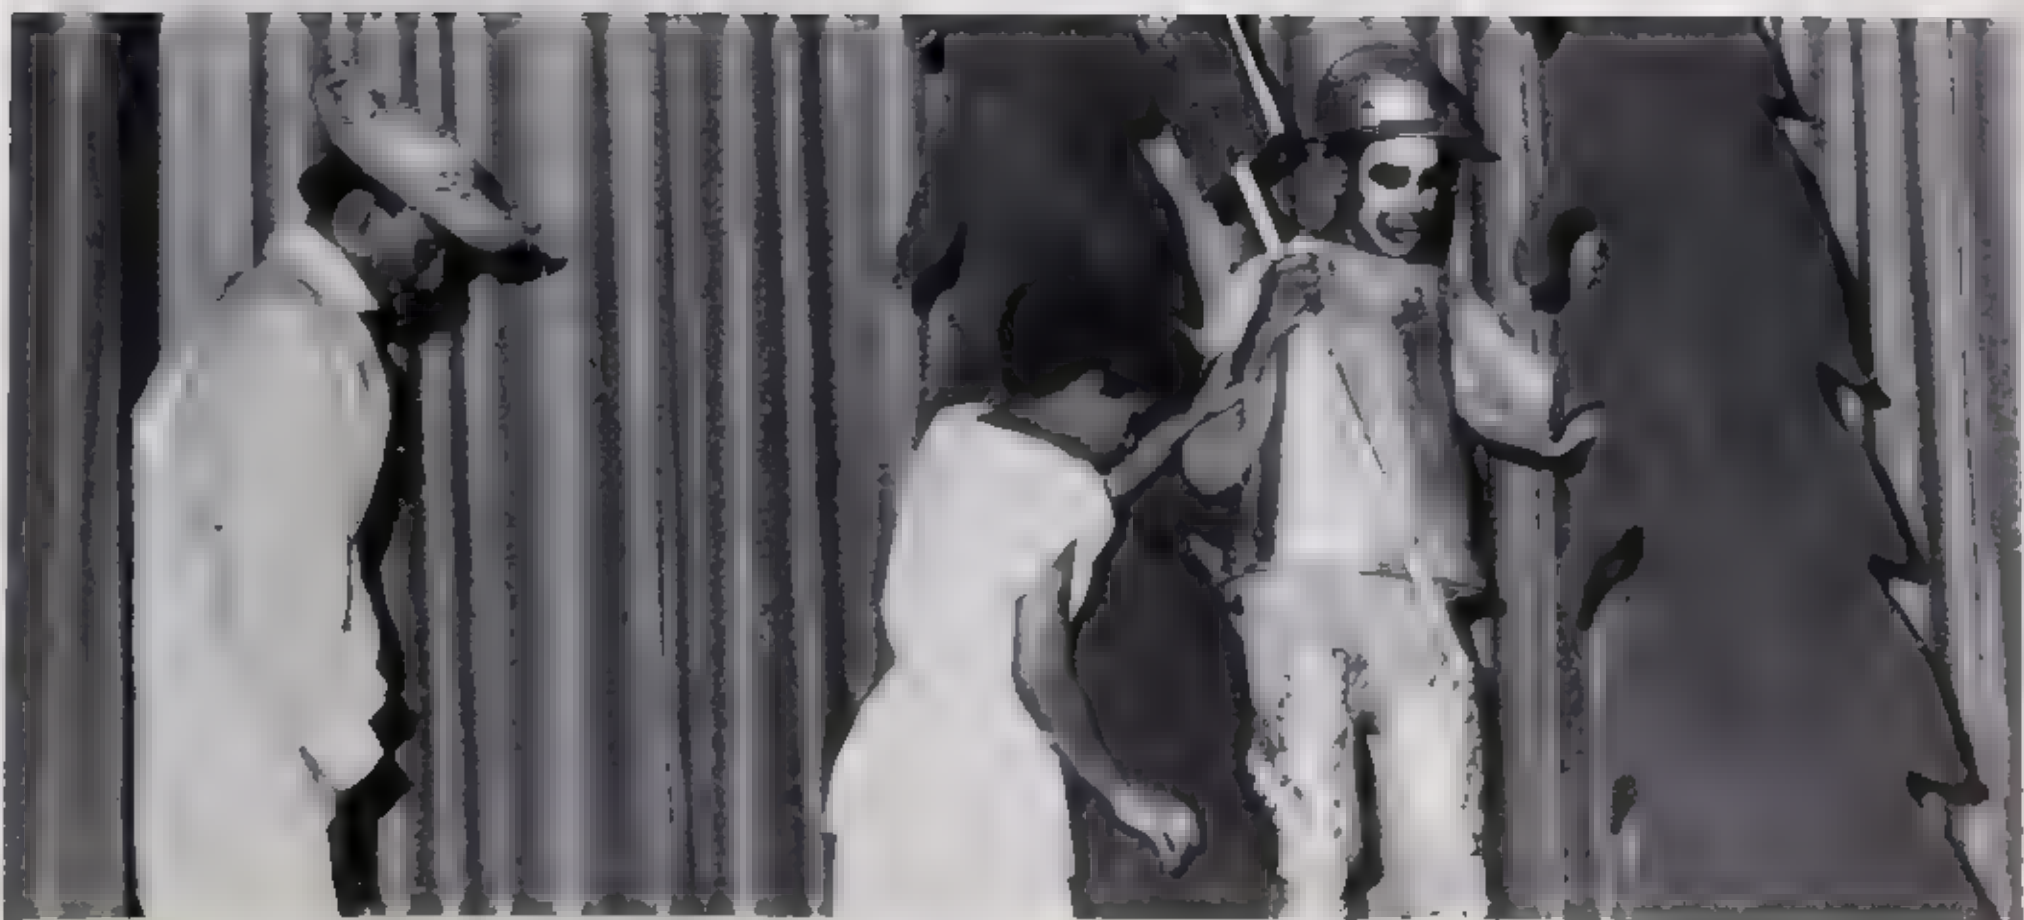

THE WIZ

On March 22 and 23, 1985, THE WIZ was presented at 8 P.M. in the school auditorium. Featured performers were Veronica Martin as Dorothy, Michael Wilson as Scarecrow, Terrence Hutchinson as Tinman, Drake Abney as Lion and Harry Benson as The Wiz. The supporting cast of 15 characters as well as a dance troupe helped to present a most enjoyable evening. It was really great! The school orchestra provided the music for this lively hit.

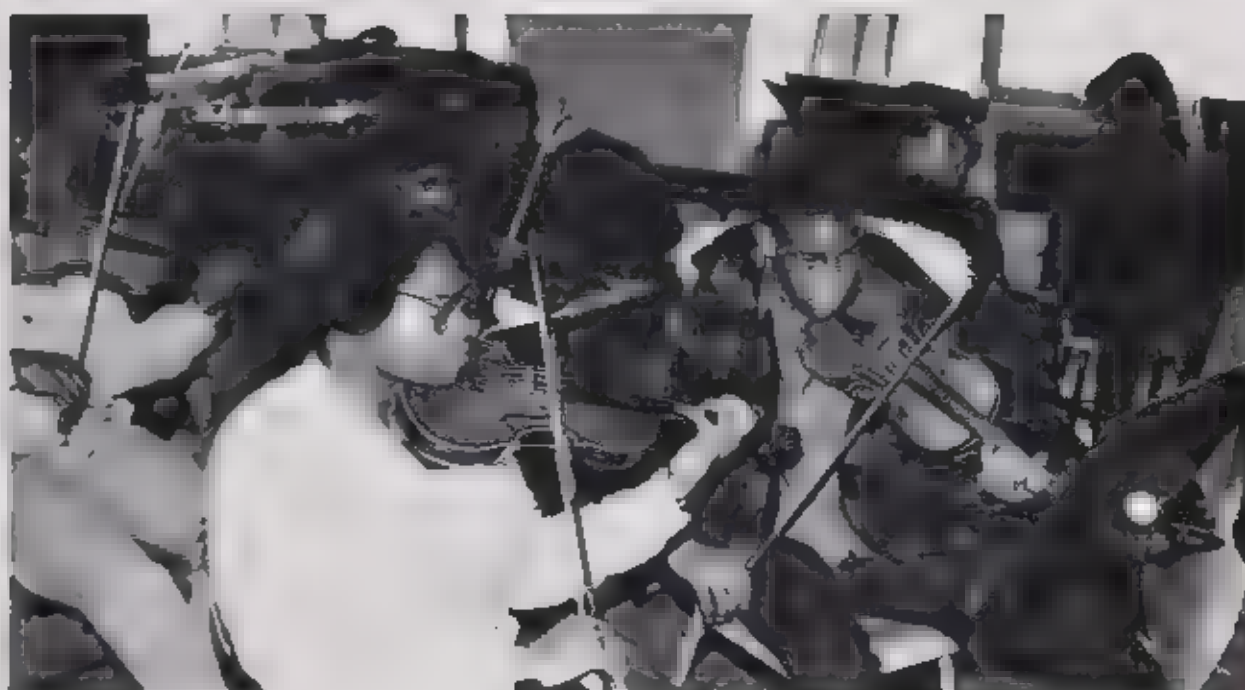

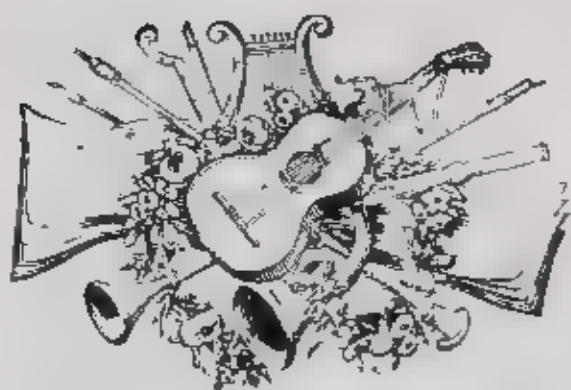

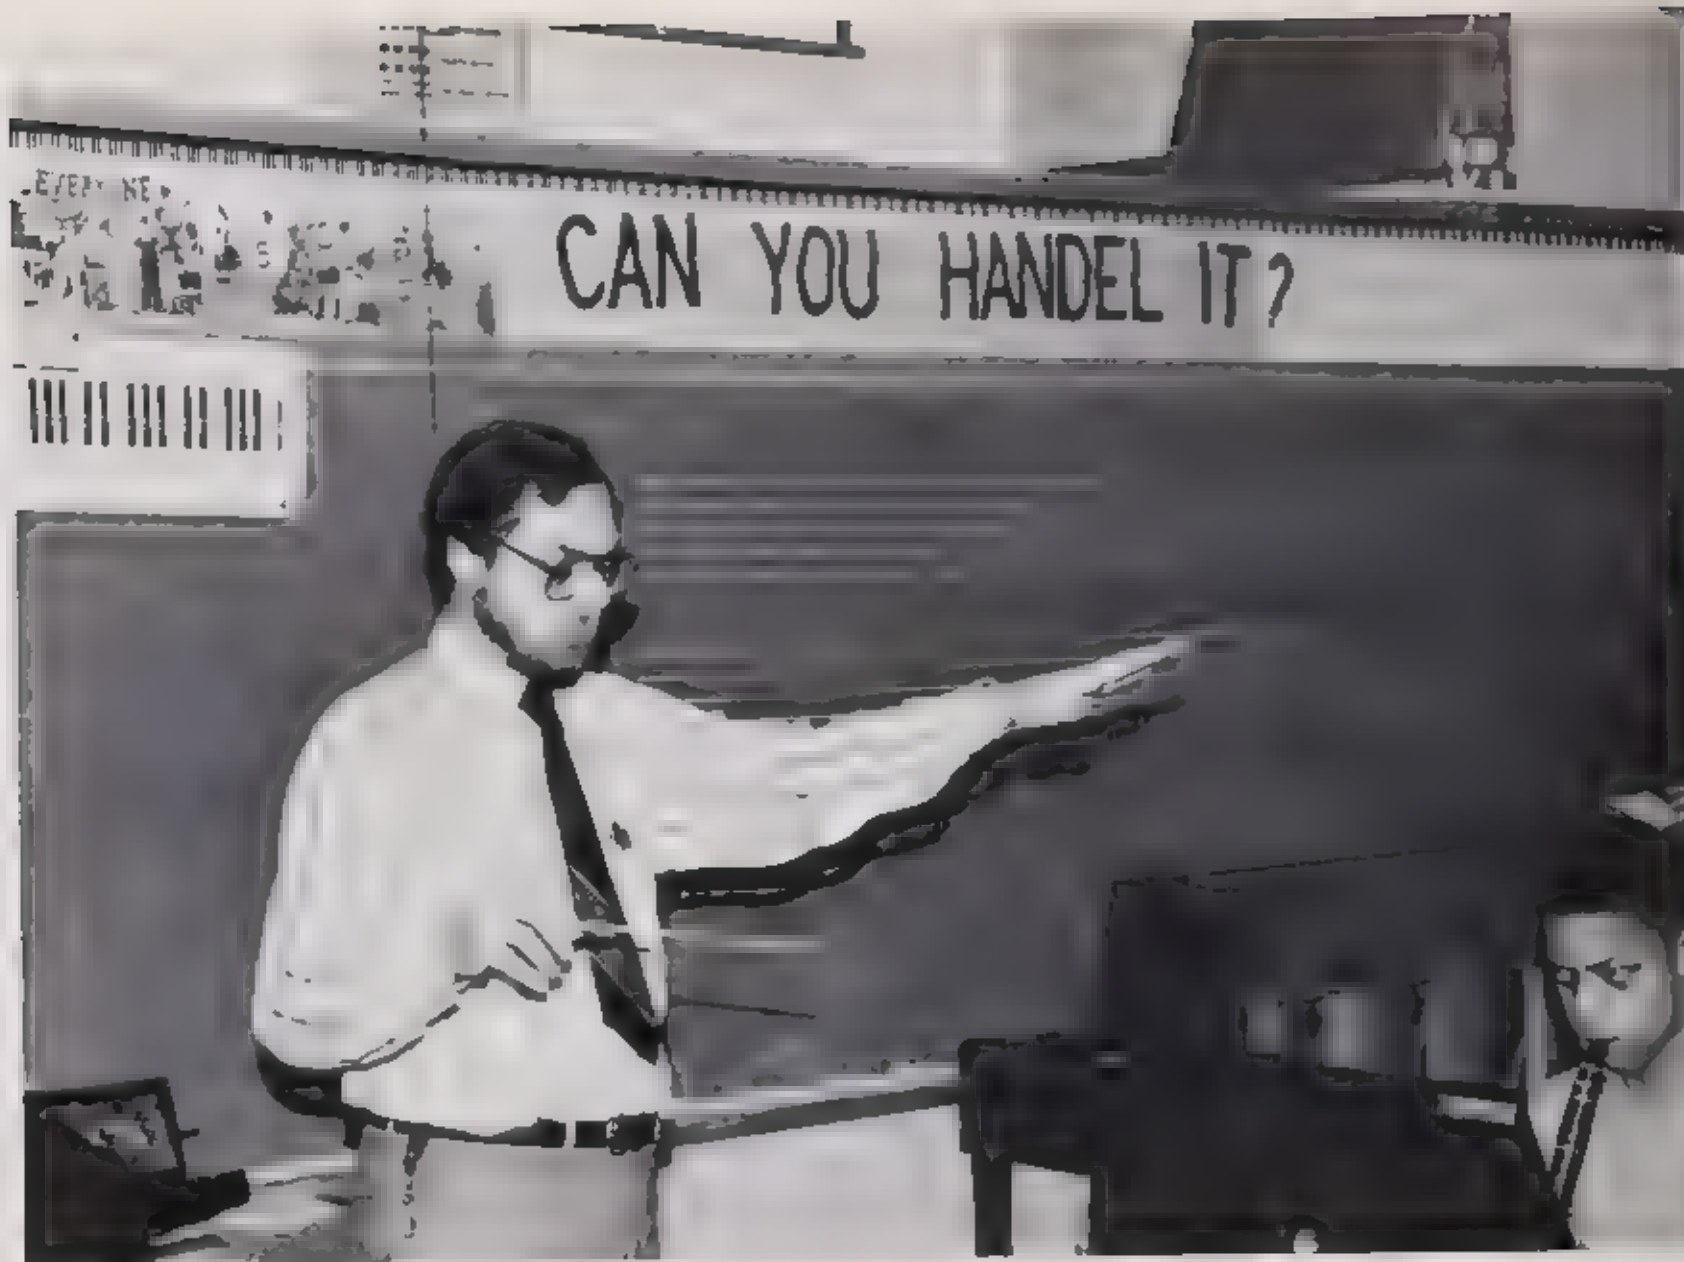

MUSIC PROGRAM

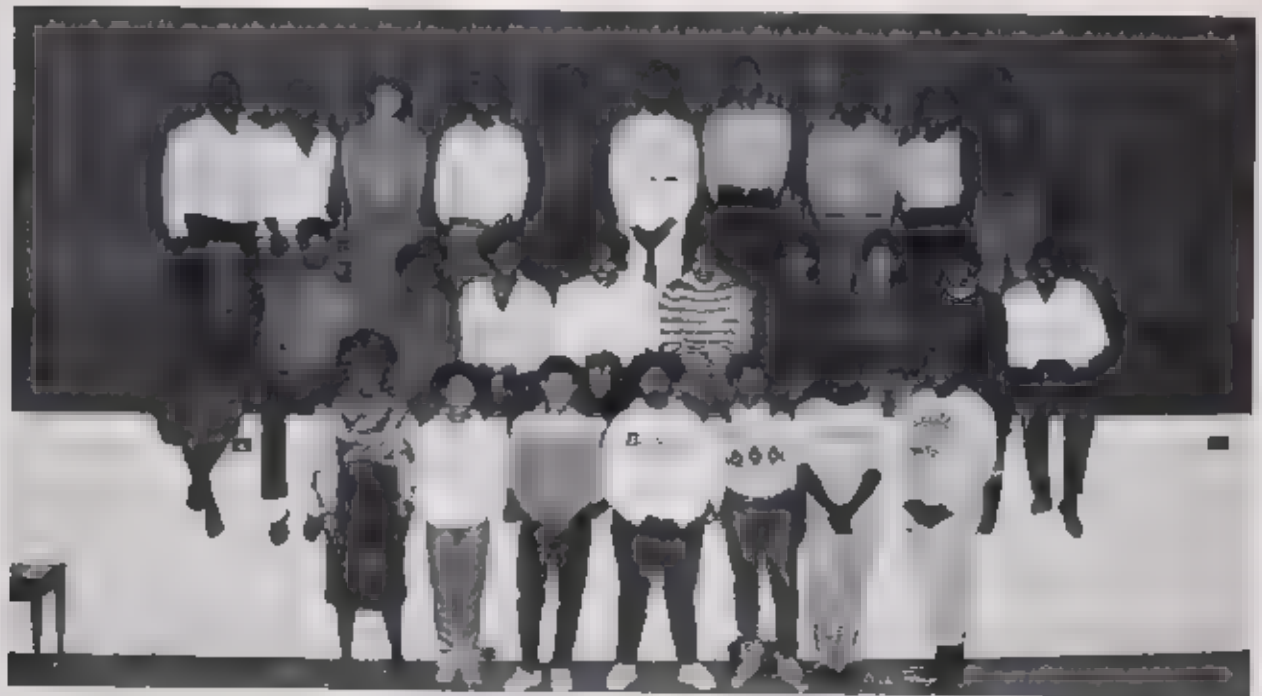

The music programs at Overbrook High School give students the opportunity to learn the many different aspects of music. Concert choir, orchestra, jazz band, string quartet, Gospel choir and the Overbrook singers are some of the groups in which students can perform and participate. Many students benefit from this training, and after graduation, donate their many talents to the world of music.

Mr. Marsalis spoke of the value and importance of education. He also discussed the various styles of jazz and gave his opinions of modern music. Using his trumpet, he demonstrated the differences between authentic and imitation jazz music. He answered questions posed by students in the audience. He was accompanied by his manager who graduated from Overbrook in the early 70's. Various radio and television personalities also attended this most interesting program.

This year's varsity team had to face a new alignment of team divisions, creating a situation that we play the best 13 teams in the league. CLASS SPONSOR

Laverne Russell, Senior Class Sponsor

Seniors,

When asked to be the sponsor of the class of '86, I responded, "I'll think about it." Just think of the wonderful memories I would have missed.

The class of '86 has been the most cooperative class a sponsor could have asked for. Together we treaded unknown seas - and the result - school spirit, class enthusiasm, involvement, growth, participation and prosperity.

Your Junior Class trip and the Junior Prom were such a success that it was only topped by the most enthusiastic Move-up Day ceremony ever. Many of you requested that we skip summer and proceed directly to September - The Ultimate Senior Year.

Well, summer could not be postponed, so you waited patiently. The first day of school you reported early and ready. "What's the first fund-raiser Miss Coleman?" was your constant question.

You shared my joy when I married during your senior year; although many of you said, "I just can't get used to calling you Mrs. Russell."

You shared your personal problems and concerns as I pushed you to go to class, encouraged you to study and urged you to do your best.

To the officers and committees of the Junior and Senior Class of '86 I thank you for a job superbly done.

I find it very difficult to say good-bye to you. We've become so close that I know most of you by name. But good-byes must be said, no matter how difficult, and move on we must. For the patience, trust, and respect you have shown me; for all the times you've made me proud, I thank you. God bless each of you. I love you.

MR. OVERBROOK AND RUNNER UPS

WHEN YOU PUT IT ALL TOGETHER YOU HAVE THE CLASS OF 1986

REMEMBER WHEN LOVE WAS IN THE AIR

The Class of 1986 sponsored the first ever "Love Is In the Air Dance" on Thursday, February 14, 1985. It was a great success, and on Friday, February 14, 1986 our second annual Valentine's Day Dance was held.

Throughout our Junior and Senior years there have been many exciting fundraisers. We thank our sponsor Mrs. Russell for making the past two years our most enjoyable years. The graduating class of 1986 is truly "The class with class".

Throughout life you will find
The most expensive indulgence Hate.
The most ridiculous asset Pride.
The most valuable asset Health.
The greatest stumbling block Egotism.
The most dangerous person The Liar.
The greatest mystery Death.
The most important day Graduation.
The greatest need Common Sense.
The greatest accomplishment Success.

Garfield is our mascot and this is why
*G*reatness takes commitment and courage; Be strong, Be Brave.
A dventure involves taking risks. Don't be afraid to try.
*R*espect yourself and You will naturally respect others.
*F*ace your fears You are as strong as you believe you are
*I*nspire others by example
*E*ndeavor to understand the world around you
Learning is essential to growth.
*L*augh It will keep you young at heart.
*D*iscover your capacity for love; You will find strength in vulnerability.

Linda Ujobai

I was born in the congo
I walked to the fertile crescent and built
the sphinx
I designed a pyramid so tough that a star
that only glows every one hundred years falls
into the center giving divine perfect light
I am bad

I sat on the throne
drinking nectar with allah
I got hot and sent as ice age to europe
to cool my thirst
My oldest daughter is nefertiti
the tears from my birth pains
created the nile
I am a beautiful woman

I gazed on the forest and burned
out the sahara desert
with a packet of goat's meat
and a change of clothes
I crossed it in two hours
I am a gazelle so swift
so swift you can't catch me

For a birthday present when he was three
I gave my son hannibal an elephant
He gave me rome for mother's day
My strength flows ever on

My son noah built new/ark and
I stood proudly at the helm
as we sailed on a soft summer day

I turned myself into myself and was jesus
men intone my loving name

All praises All praises
I am the one who would save

I sowed diamonds in my back yard
My bowels deliver uranium
the filings from my fingernails are
semi-precious jewels
On a trip north
I caught a cold and blew
My nose giving oil to the arab world
I am so hip even my errors are correct
I sailed west to reach east and had to round off
the earth as I went
The hair from my head thinned and gold was
laid across three continents

I am so perfect so divine so ethereal so surreal
I cannot be comprehended
except by my permission

I mean . . . I . . . can fly
like a bird in the sky . . .

ego-tripping
(there may be a reason why)

Junior Prom

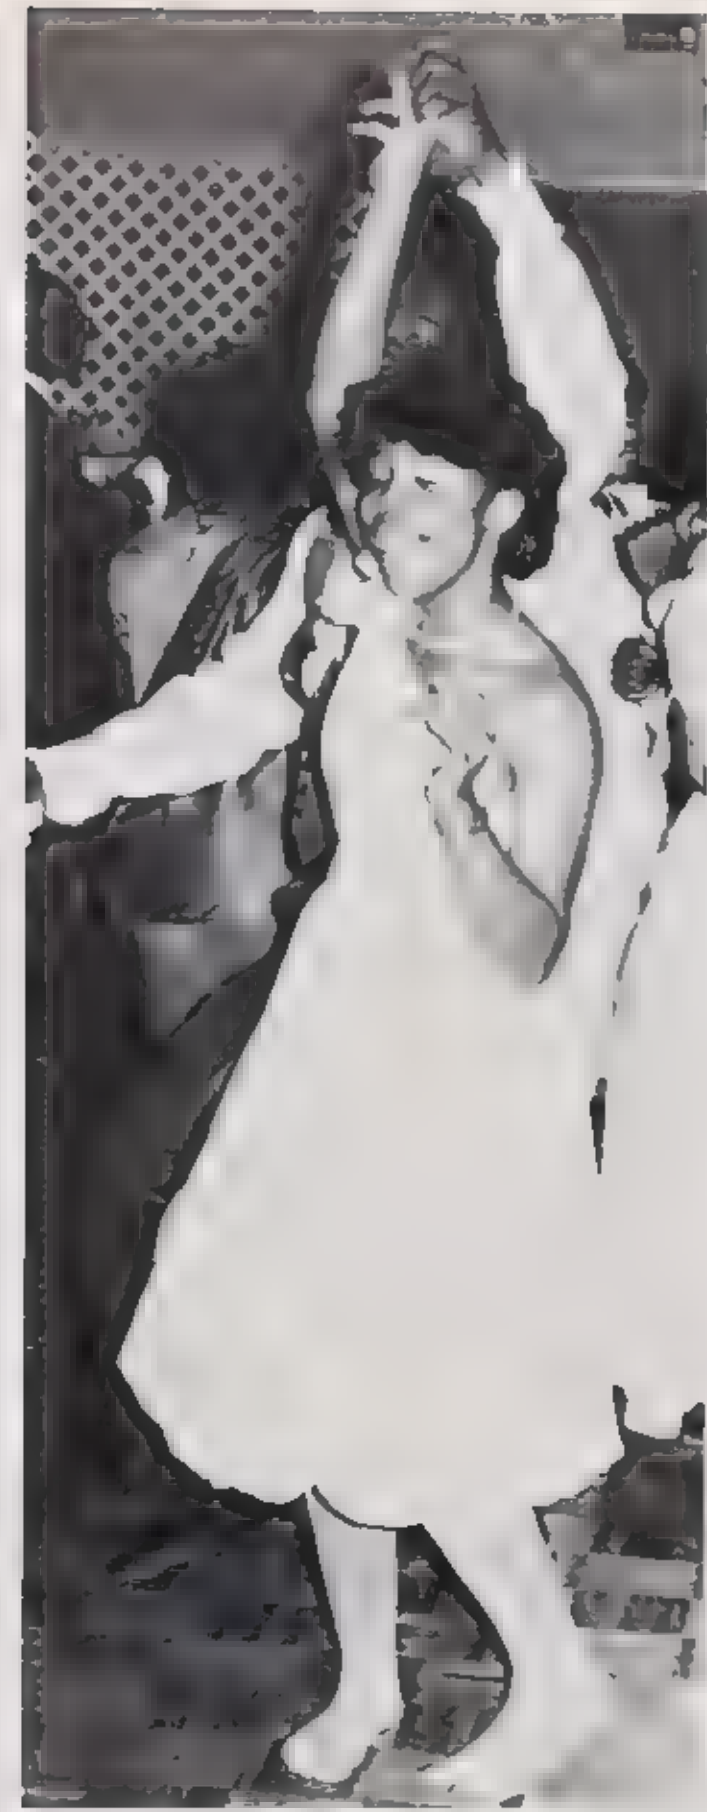

Last year on the always remembered date of May 25th, 1985, the Class of '86 attended the unforgettable night of their Junior Prom. The night will always be one to remember. The memorable evening began at 8 P.M. sharp at the elegant Parkside East. The sights were extravagant, ladies and their companions exquisitely dressed to perfection from top to toe with the finest of attire. We dined by candlelight and quiet music humming in the background as we spoke softly at our tables. As our hungry palates were served, we enjoyed the giving away of door prizes and the annual crowning of the prom King and Queen. After the festivities it was time for an evening of dancing and fun. The evening came to a quiet close at 12:00 and it was time to bid adieu. As we left, we watched the finest cars and limosines pull off into the moonlight.

THIS WAS OUR NIGHT

VERY CANDIDLY SPEAKING

A NIGHT FULL OF . . .

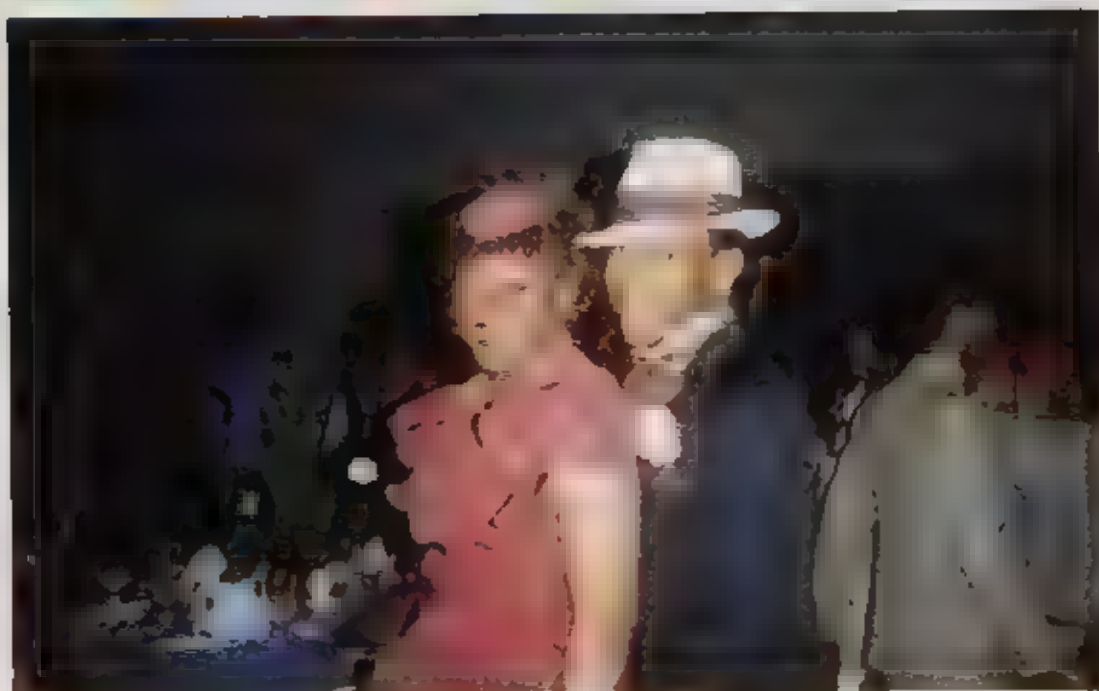

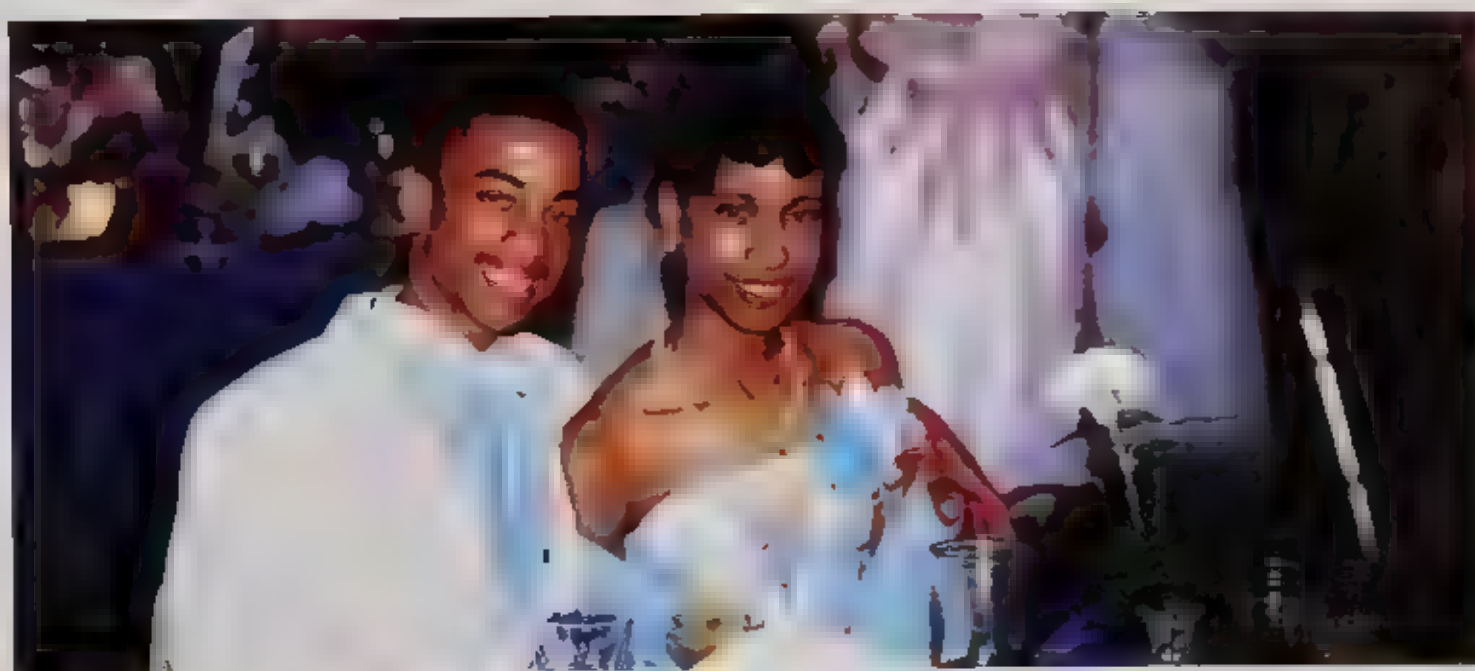

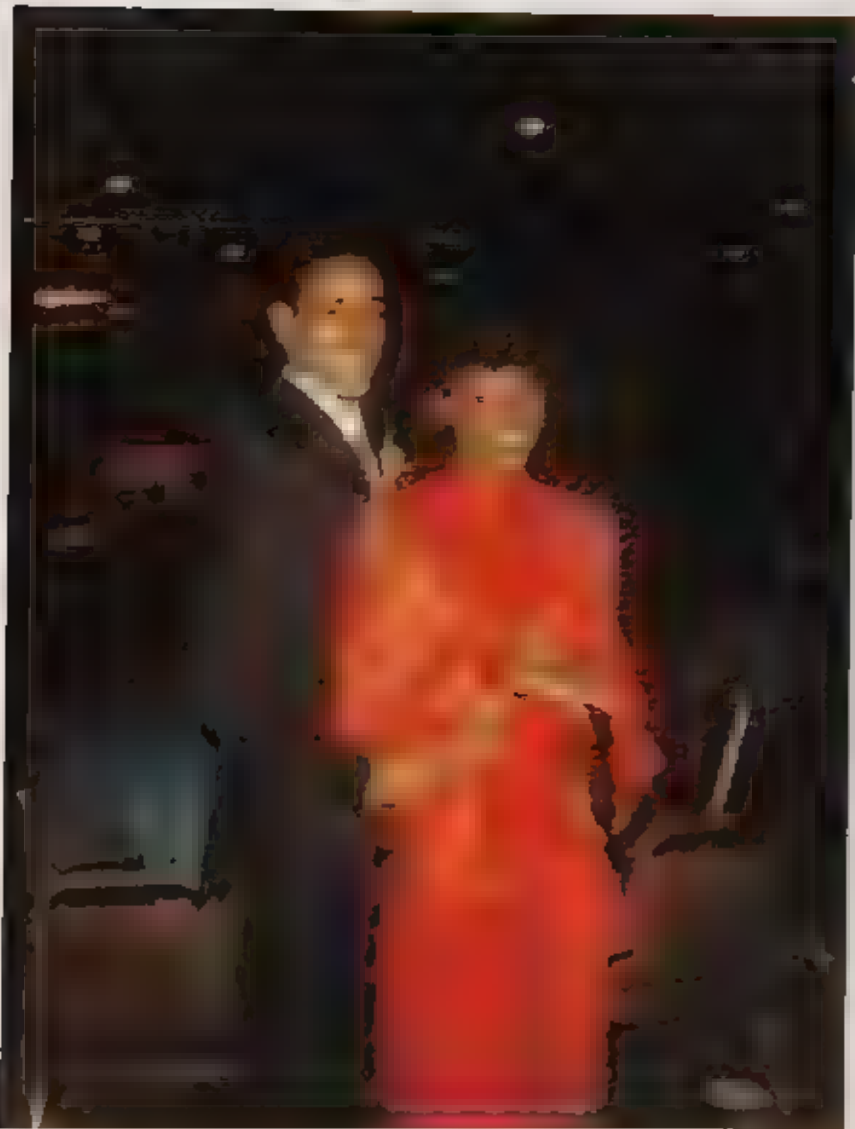

SMILES AND POSES

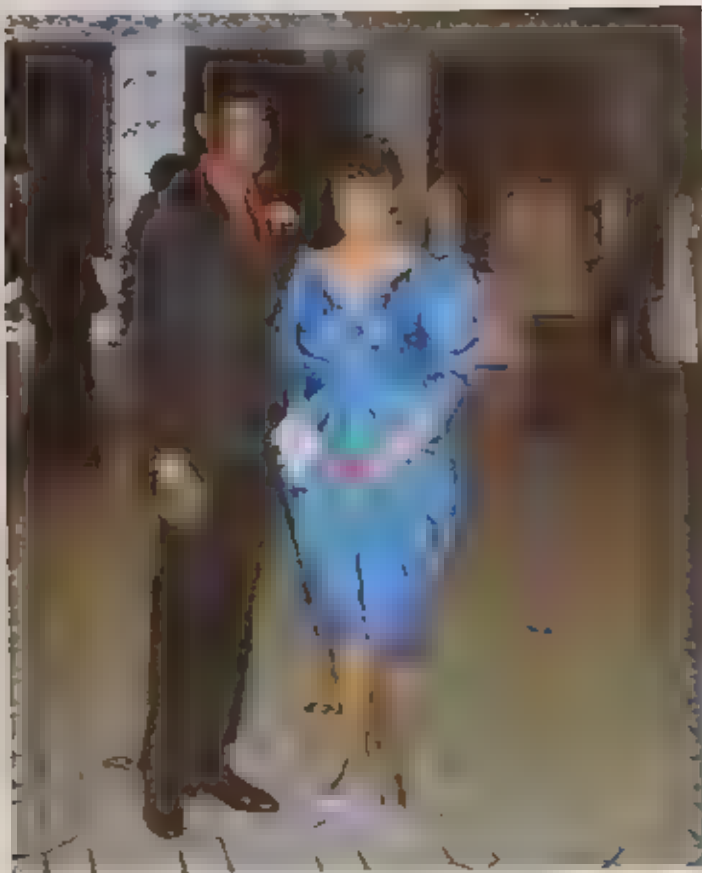

VIVIDLY SPEAKING . . .

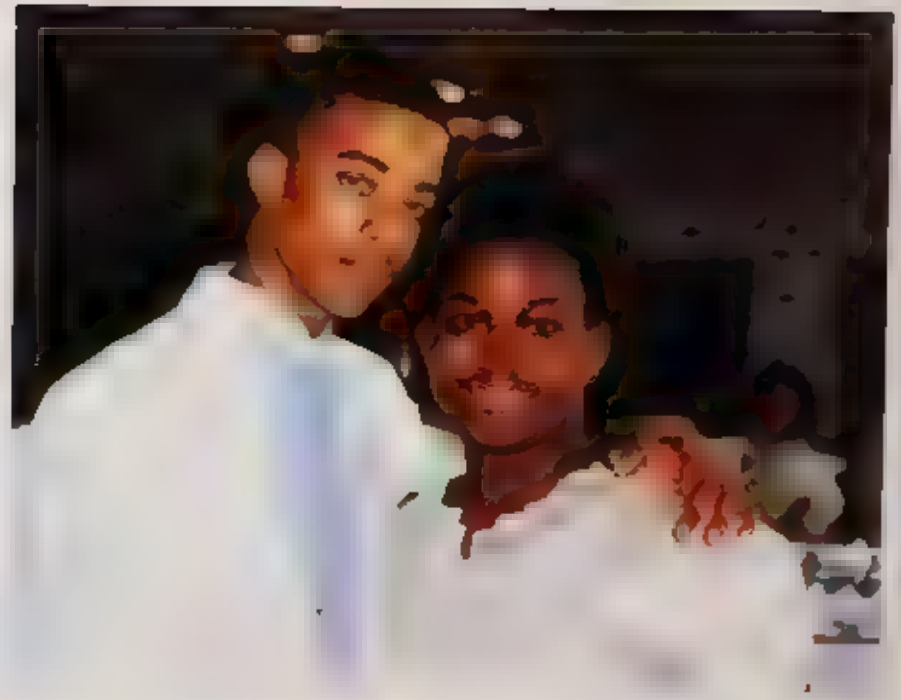

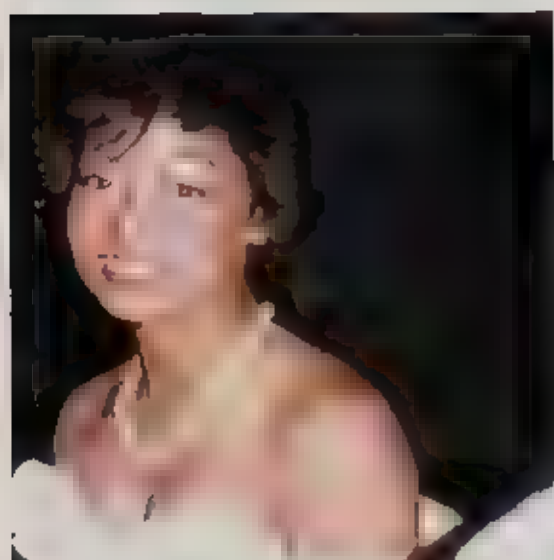

JR. PROM KING + QUEEN

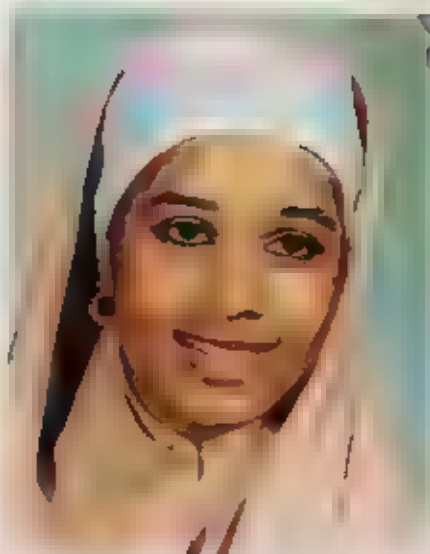

LADIES . . . ESPECIALLY ELEGANT

On May 25, 1985. It was "A NIGHT TO REMEMBER" We'd like to especially thank Mrs. Coleman-Russell and all who helped make our Jr. Prom a very special and memorable evening for all of us. We extend our thanks to The Class of '86".
